### **§ 1-2 Scope**

These statutes apply to all organs of the Student Democracy at NMBU and are constructed in accordance with national laws and regulations. Instructions taken up in chapter 8 cannot go against these statutes.

## **Chapter 2: Structure of the Student Democracy at NMBU**

### **§ 2-1 At a Central Level**

The highest democratic organ in the Student Democracy at NMBU is the Student Parliament. The daily operations of the Student Parliament are carried out by the Student Parliament's Student Board.

### **§ 2-2 At a Faculty Level**

At the Faculty level, the Student Democracy consists of Student Councils. Student Councils are constructed of:

- President and vice president of the student councils
- Class representatives
- Faculty student representatives in the following committees and positions:
  - The student Parliament
  - The Faculty Board
  - The Education Committee
  - The Program councils
  - The Research Committee
  - The Selection Committee
  - The Appointment Committee

The Faculty general assembly is the highest student democracy organ at a faculty level. Between faculty general assemblies the student councils stand for the daily operations and representations of the faculty's student democracy.

The Student Council at Campus Adamstuen is delegated the power of communication and representation over the Welfare Committee in Oslo and Akershus.

### **Chapter 3: The Student Parliament**

#### **§ 3-1 Powers and Functions**

The Student Parliament represents all students at NMBU, and decisions made in the Student Parliament are made on the behalf of all students. The Student Parliament has the responsibility to inform about decisions made. Closing of the meeting must follow the provisions in §3-6.

#### **§ 3-2 Construction**

The Faculties at NMBU are constituents of the Student Parliament. The Student Parliament consists of 25 representatives. These representatives are distributed according to the democracy model.

The division method for the mandatory seat allocation follows this formula:

$$\frac{V}{2^{s+1}}$$

V= Number of students at the faculty

S= Number of student representatives the faculty is allocated

Updated number of students can be found in the Database for Statistics on Higher Education (DBH) every fall. The average of the number of students for the spring semester and fall semester make up the basis for the following year's representative distribution in the Student Parliament.

The democracy model distributes one representative at the time. The largest faculty after the calculation gets awarded a student parliament representative. In the first round the student mass are divided by  $2^{(0+1)}$ . If the Faculty receives a representative, the student mas will be divided into 4 (ex  $2^{(1+1)}$ ), and after that in 8 (ex  $2^{(2+1)}$ ), 16 (ex  $2^{(3+1)}$ ) etc. This is done until all the student parliament seats are distributed.

This calculation basis is presented for orientation before the fall faculty general assemblies.

#### **§ 3-3 Constituting**

The Student Parliament representatives are elected for one year at the time. One should aim for the constituent Student Parliament to be held between the fall faculty general assemblies and the new year.

#### **§ 3-4 Meetings and Summoning**

The Student Parliament must hold at least 3 meetings per semester. The Student Board is responsible for summoning the Student Parliament. Summoning and case papers should be made available to all students at least 7 days before the meeting. Electronic decisions are the exclusion of this statute cf. §3-10.

The provision that the summoning and case papers need to be made available for all students in the first paragraph entails that they need to be translated to English. If there is uncertainty about the translation, the Norwegian version will be the basis for understanding. Further specification is outlined in the instructions for the Student Parliament.

All students with a valid semester registration have the right to send in cases to the Student Parliament. This must be done at the latest 14 days before the meeting if the case is to be handled. This provision does not count for cases to be handled under “other.” Further specification is outlined in the instructions for the Student Parliament. Extraordinary Student Parliaments is held if at least 3 members of the Student Board, at least 13 representatives from the Student Parliament, or at least 25 students desire it. Extraordinary Student Parliament is to be made known to the public at least 7 days before taking place, and should only handle the case(s) that were the reason for its summoning.

In order to have good administrative practices, questions of partiality must be strict. This means that a

lot must happen to name a representative partial. Those that are named partial must temporarily resign from the case, cf. § 3-12.

Cases of partiality are handled with a 50% majority voting from the relevant organ, and the person in question cannot vote.
