

Hi! My name is Guro, and I want to serve as a deputy on the Faculty Board at Handelshøyskolen! Since 2018, I've been a student at NMBU, and since the autumn of 2020, I've been a student at HH. While studying here, I have been active in the Student Democracy: I have been a member of the Student Parliament, the Research Committee, and the Sustainability Committee. And, I am now highly motivated to be a student-oriented Faculty Board Deputy!
